Hi Sgt. Tingirides,

Appreciate the follow up. Will be sure to let our constituents know of efforts to address the issue. If Sergeant Maxwell could keep me updated, that would be great.

Thanks,
Rachel

Hi Rachel,

Thank You for reaching out. I have also included Sergeant Maxwell from our OWB HOPE Team in this E Mail as well as Matthew Tenchavez from LAHSA. I believe Sergeant Maxwell was in Hollywood today and conducted Rapid Response locations in Hollywood Division at the below locations:

Gower St/101 Fwy

Cahuenga/Homewood

Cahuenga/Eleanor

Cahuenga/Melrose

Cole/Willoughby

Vine/Lexington

Leland Wy/El Centro

His team also conducted Outreach with LAHSA at Sunset and Sycamore. We will continue to address this location and work with LAHSA. If the employees observe any hazardous items (needles feces) please advise me immediately and LA Sanitation can send out an Emergency Response team. I know this is a huge concern especially due to the proximity of the Pre-School. Thank You for your coordinated efforts.

Take Care,

Hi Sgt. Tingirdes,

CD 4 has a growing encampment developing on Sycamore and Sunset in the Central Hollywood area. We are receiving daily calls and emails from parents who are concerned about the size, narcotic activity, and approximately of the encampment by a preschool just a few doors down on Sycamore. LAHSA outreach teams went there yesterday and will be doing a larger coordinate outreach effort with Hollywood providers this week and the following. Our office has a CSLA scheduled for January 30, but this needs more immediate attention. We are requesting the assistance of the HOPE team to address this area as quickly as possible. Please let me know if you have any questions.

Nearest address: 7038 Sunset Blvd
Preschool: 7038 Sunset Blvd

Best,
Rachel
